Pride. Ambition. Community

An exciting opportunity to work in a new role based alongside our experienced staff in a highly successful Special Education Needs (SEN) department and primary schools within our catchment.

We are looking to appoint an enthusiastic and motivated HLTA to help promote a new role, to devise and deliver high quality, child centred provision to students to maximise their ability to access and thrive in mainstream provision, transitioning from primary to secondary.

The College has a specialist autism facility with students attending mainstream lessons alongside their peers, this role will be able to work within a team based at College with high degrees of expertise.

We are interested in receiving applications from individuals with experience of working with students on the autism spectrum who already hold HLTA status or who have relevant knowledge and experience and would be willing to undertake the HLTA standards and assessment.

The successful candidate should hold a HLTA qualification or be willing to work towards those standards based on previous experience working in a relevant role.

Please contact Elaine Burgess, SENDCO for further details and an informal discussion about the vacancy at eburgess@heathfieldcc.co.uk or 01435 866066.

Please see our website for an information pack and application form.

Closing date: Please complete and return your completed application form to jobs@heathfieldcc.co.uk by midday on Friday 23 February 2024 at the latest.

Start date: ASAP until 31 August 2025 (in the first instance)

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. Successful applicants will need to undertake, or currently hold, a DBS enhanced clearance for this authority.
