Teacher of Physics

Full Time/Part Time

A-Level teaching only is possible for a part time candidate

Main/Upper Scale

Permanent

Pride. Ambition. Community

Required for September 2024. We are looking for an excellent teacher of Physics to join our highly successful College. Ability to teach A-level is essential.

Heathfield Community College is a popular over-subscribed mixed 11-18 rural comprehensive with a reputation for high aspirations and high achievement. This is an exciting opportunity to gain experience in a supportive school committed to career development, with a reputation and track record of inclusion and innovation.

Please contact Jess Gillespie, Curriculum Lead for Science, for further details and an informal discussion about the vacancy at jgillespie@heathfieldcc.co.uk or 01435 866066. Information can also be found at jobs@heathfieldcc.co.uk

Closing date: Please complete and return your application form to jobs@heathfieldcc.co.uk by Midday on Friday 15 March 2024 at the latest.

Start date: September 2024

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. Successful applicants will need to undertake, or currently hold, a DBS enhanced clearance for this authority.
